**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir

**LICENSING APPLICATION PIZZA HUT 21 BROADWAY LOUGHTON ESSEX IG10  
3PS**

We object to this application on the grounds of public nuisance.

The proposed hours of opening to 1am is far too late and will create a public nuisance for residents who live above and in the vicinity of the business, particularly in the summer when windows remain open to cool rooms. This will be exasperated by people waiting and talking outside whilst the food is prepared and by the slamming of car doors and motorcycles firing up.

We consider the hours of operation, as per the planning permission, should remain as 11pm Monday to Friday and 10.30pm on Sundays.

We ask you to remind the applicants they need to apply for planning permission to modify the condition restricting the hours of opening. We note no application has been submitted to date.

Yours faithfully

Good Morning Ronan

Thank you for taking the time to contact me with the concerns you hold below.

With regards to the potential to attract crime and disorder following the pubs closing if we were to close at 1am, may I suggest closing the doors at 12am to external customers walking in and solely being delivery only until the 1am time suggested?

Or potentially having the 1am times permitted on a Friday & Saturday evening only with the above suggestion of doors closing at 12am and delivery only until 1am, and maintaining the 12am close time Sunday to Thursday?

Kind Regards

Good morning Karen ,

Thank you for your time this morning as promised here are my views with the application to increase late night refreshment hours from 2300 to 0100hrs .

I am against this application , I feel that midnight would be more appropriate , my rationale is as follows ;

- I have checked all premises on the Broadway and midnight is the latest opening times for business .
- Midnight closing time appears to be an appropriate closing time for this location.
- Potentially being the only premises open at 0100hrs could attract crime & disorder following pub closing time.
- Essex Police would be supportive of a midnight closing .

Could I ask for your views please.

Dear whom it may concern,

I am writing to reject the application in respect of MSAJ Pizza Ltd for the provision of a late night refreshment licence to 23:00-01:00.

I am writing as a Landmark House resident to OBJECT strongly to licensing applications for the above mentioned application, For the following reasons;

1. Noise/music pollution and disturbance from the proposed development that will disturb me and the residents during the night at unsociable hours. Also noise pollution from the delivery vehicles.
2. Risk of creating a precedent with other establishments opening or already in the area.
3. Concerns of anti-social behaviour and increase of crime due to the licence of alcohol and late hours it is open
4. It is not in line with other commercial hours that are near residential areas
5. Increase in litter e.g. sick, cigarettes, drugs etc.
6. Safety of the residents and passer's by due to the late night opening hours and alcohol.
7. Increased potential drug activity beyond the already present one at the back of our property.
8. Smell pollution: Smoking, food, sick, extra people (& their odours)
9. Loitering at unsociable hours and increased traffic at late times (Cabs/pickups etc.)

To confirm I am rejecting based on the licensing objections listed above – the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm. It ultimately comes down to how much it will affect the residents, and this would be an unfair interference and hugely impact our comfortability and enjoyment of our properties.

Many thanks,

Ella

Resident of Landmark House, 1 The Broadway

8. Smell pollution: Smoking, food, sick, extra people (& their odours)
9. Loitering at unsociable hours and increased traffic at late times (Cabs/pickups etc.)
10. Pizza Hut is a takeaway only so people will be able to get alcohol and consume it on the street.

To confirm I am rejecting based on the licensing objections listed above – the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm. It ultimately comes down to how much it will affect the residents, and this would be an unfair interference and hugely impact our comfortability and enjoyment of our properties.

Thanks

Dear Sir/Madam

I am writing as a Landmark House resident to OBJECT strongly to licensing applications for the above mentioned application, For the following reasons;

1. Noise/music pollution and disturbance from the proposed development that will disturb me and the residents during the night at unsociable hours.
2. Risk of creating a precedent with other establishments opening or already in the area.
3. Concerns of anti-social behaviour and increase of crime due to the licence of alcohol and late hours it is open
4. It is not in line with other commercial hours that are near residential areas
5. Increase in litter e.g. sick, cigarettes, drugs etc.
6. Safety of the residents and passer's by due to the late night opening hours and alcohol.
7. Increased potential drug activity beyond the already present one at the back of our property.
8. Smell pollution: Smoking, food, sick, extra people (& their odours)
9. Loitering at unsociable hours and increased traffic at late times (Cabs/pickups etc.)

To confirm I am rejecting based on the licensing objections listed above – the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm. It ultimately comes down to how much it will affect the residents, and this would be an unfair interference and hugely impact our comfortability and enjoyment of our properties.

Thank you
